Dear Pa

Well I am home at last. I had
2 of your letters here so I am going to
answer both of them now.

I hope there wasn't too much damage
done by the fire and that no one was
hurt.

I glad you like that photo album
because I didn't know what to buy
and was looking around and saw them
so I got it. That the first time I pick
out anything for a girl. If I ever went to
a party or something my mother or sister
~~was~~ would have to get something. I
hope you can make out my hand writing.

I got in yesterday June 10. I went swimming today with my brother-in-law and had lot of fun. I hope you got to see your baseball game. Did you?

Jack got in Pusan the day I got on the boat. The night of the 24 I got on the boat and we sailed on the morning of the 25. We got off the boat at Washington the morning of the 7 of July. Enough about the army I am going to forget about in till next month.

You still want to know about the women airforce. Well sometime you will want to go on pass you won't get it. You want to go someplace at night you won't get to because you will have something ~~else~~ to do. You say you don't like to get up early in morning well you will get up!

III

There a lot of thing you will want to
do but can't. Just take my advice and
stay out. There was a lot of time I wanted
to go someplace and couldn't. I can
think of a lot of thing but like I said before
I don't think you will like it. You
better off at home.

Well I will write you another littler
~~letter~~ later, (12 or 13) I can't think of much
more to say now.

P.S. I am glad you like that photo album
